Margie Plumb Taken by Death

Long Illness of Popular Young Girl Ends Friday Evening

Margaret, daughter of Mr. and Mrs. Arthur G. Lumb, 2518 Pomona street, passed away at 7 o'clock Friday evening at Olive View, Calif.

Miss Plumb came to California with her parents and sister nineteen years ago, from New Brighton, Pennsylvania, where she was born September 15, 1907. The past seventeen years of her life have been spent in Lomita, where she is well known and greatly beloved. She attended the Lomita High School, and was later graduated from the Mackay Business College at Los Angeles. Margie was employed at the Union Oil Company, Wilmington, when she was taken ill in December 1926. Since that time she has made a valiant but losing fight for health. Her bright personality and sweet Christian character during this time of suffering have been an inspiration to all who came in contact with her.

Funeral services were held at the Community Presbyterian church, Monday, November 5, at 2:30 p. m. with Rev. Louis Timmering in charge. Many devoted friends were present to pay their last respects to this dear girl and scores of floral pieces were the loving tributes sent to brighten Margie's last resting place. The pallbearers were George Towne, L. H. Huppenthal, L. M. Pollock, Chas. George, Chas. M. Smith and John Wilson. Honorary pallbearers were Mrs. Luther Dearborn, Mrs. Fred Steele, Mrs. Arthur Dearborn, Mrs. Elmer Franzen, Miss Esther Franzen and Mrs. M. A. Kerber. Miss Lily Willacy, accompanied at the organ by Harold Conckley, sang most touchingly, "Hark, My Soul."

Margie was laid to rest in Roosevelt Memorial Park, beside her sister Lois who passed away about a year ago.

Rabbit Breeders to Hold Election

From a more handful of rabbit breeders to a good sized membership—and a big show well under way—is the accomplishment of the Gardena Valley Rabbiters in less than two months.

The Board of Education of Los Angeles has granted them the privilege of using Gardena High School for their meetings—and it is the expressed desire of the Rabbiters to have every breeder in Torrance and Lomita join them to make this club the "biggest in Southern California."

The entire valley, from Vermont to the Beach is ideal climatically for rabbit raising, and with the show to bring the attention and interest of outsiders to the valley, it is expected that this industry will soon be well represented in this territory.

It is again announced that the Queen Contest for the fur coats is said to be launched and it is said that the coats are well worth while—and also that a commission is to be paid besides to all contestants.

Schools Join In Poster Contest

Mary Pickford Will Award Prize in Novel Outdoor Competition

Every school in Southern California will be asked by the Los Angeles Chamber of Commerce to join in a Christmas out-of-doors poster contest. According to F. L. S. Harman, assistant secretary of the Chamber, every effort will be made to have Southern California known as the land of Christmas-out-of-doors.

Miss Mary Pickford is chairman of the Christmas committee, which is being perpetuated in the ten Southern counties by civic, social, fraternal, educational and religious organizations.

In the poster contest all work must be of standard size, the posters measuring 21 inches long by 14 inches wide, to stand vertically. The work must be done in three colors, optional with the pupil, but should carry out the Christmas idea. Across the top of the card must be "Spread Christmas Cheer, Decorate an Out-of-door Tree." The dates, December 22 to January 5, must be printed on the bottom. The name of the contestant and the school attended are to be marked on the reverse side of the poster.

The winning contest in each county will be awarded a personally autographed photograph of Miss Pickford in a silver frame. To the pupil making the best poster will be given a complete commercial artist's set, necessary for the study of commercial art.

Notice to the public

SUPPOSE you are today paying 50c a tube for your tooth paste (and there are many very good dentifrices selling today at that price).

Suppose, like most people, you buy about twelve tubes during a year. Now if you knew that you could buy as good a dentifrice as can be made and still save each year the price of 25 loaves of bread or 60 bars of soap or 40 pounds of sugar or a box of fine cigars—could you conscientiously fail to take advantage of such an opportunity?

That is exactly what you do when you buy Listerine Tooth Paste at 25c for a large tube. Figure it out for yourself.
